

How various initiatives compare to CIWF criteria for higher animal welfare: Broiler Chickens

Animal Welfare Initiative	Logo	Country	Do broilers have enough space?	Is a slower growing breed used?	Is the leg health of the broilers regularly checked?	Do broilers have access to natural light?	Do broilers have access to perches?	Are broilers provided with litter on the floor?	Do broilers have access to pecking substrates?	Do broilers have access to an outdoor range?	Does this AW initiative meet CIWF higher AW criteria?
